

PRODUCT NOT RECEIVED

Dispute response pack

A concise, chronological record connecting the disputed transaction to fulfillment, delivery, and the merchant's customer-service response.

MERCHANT Example Merchant Co.	CASE REFERENCE CB-DEMO-1042	PROCESSOR Shopify Payments
ORDER DEMO-78421	DISPUTED AMOUNT \$684.00 USD	RESPONSE DUE October 2, 2026

EVIDENCE READINESS	92%	Core transaction, delivery, communication, and policy records are present. The merchant should verify all facts before submission.
--------------------	------------	--

Executive summary

The merchant fulfilled order DEMO-78421 to the shipping address provided during checkout. Carrier records show the parcel was delivered on September 6, 2026. The customer contacted the merchant two days later, and the merchant responded with the delivery record and offered to open a carrier trace. The materials in this pack are organized to let the reviewer verify the transaction, shipment, delivery, communication, and applicable policy without searching through disconnected files.

Response position

CLAIM	MERCHANT RECORD
The product was not received.	The order record, carrier tracking, delivery scan, and customer-service exchange document fulfillment and the merchant's attempt to resolve the reported issue.

Pack contents

- 01 Case narrative and transaction timeline
- 02 Order, authorization, and fulfillment records
- 03 Carrier tracking and delivery confirmation
- 04 Customer communication and merchant response
- 05 Relevant shipping and resolution policy

Case narrative and timeline

The response below is intentionally factual and neutral. It summarizes the merchant-supplied records and points the reviewer to the supporting exhibits.

DATE	EVENT	SUPPORT
Aug 31	Customer placed order DEMO-78421 for two listed products.	Exhibits A-B
Aug 31	Payment authorization completed with the customer-entered billing and shipping details.	Exhibit B
Sep 2	Merchant fulfilled the order and transferred the parcel to the carrier.	Exhibits C-D
Sep 6	Carrier recorded delivery to the destination supplied at checkout.	Exhibits D-E
Sep 8	Customer reported non-receipt by email.	Exhibit F
Sep 8	Merchant provided tracking and offered to open a carrier trace.	Exhibit F
Sep 12	Dispute notice received; merchant preserved the relevant records.	Exhibit G

Reviewer guide

Transaction	Match the order reference, amount, and customer-entered destination in Exhibits A-B.
Fulfillment	Confirm the items and shipment date in Exhibits C-D.
Delivery	Compare the destination and delivery event in Exhibits D-E.
Resolution	Review the customer's report and the merchant's response in Exhibit F.
Policy	Confirm the policy presented by the merchant in Exhibit H.

Evidence index

Each exhibit should be checked for accuracy, legibility, and relevance before the merchant submits the response through its processor.

EXHIBIT	DOCUMENT	WHY IT MATTERS	STATUS
A	Order confirmation	Identifies the products, purchaser details, amount, and destination.	Included
B	Payment and address record	Connects the disputed transaction to checkout details.	Included
C	Fulfillment record	Shows the merchant prepared and released the listed items.	Included
D	Carrier tracking history	Documents carrier possession and transit events.	Included
E	Delivery confirmation	Records the reported delivery date and destination.	Included
F	Customer email thread	Shows the reported issue and merchant's proposed resolution.	Included
G	Dispute notice	Confirms the processor reason and response deadline.	Included
H	Shipping and resolution policy	Provides the relevant merchant policy for review.	Included

Submission check

01	Confirm every statement and date against the source record.
02	Remove unrelated personal or payment information before submission.
03	Confirm the response matches the processor's dispute reason and deadline.
04	Upload through the processor's official dispute portal and retain confirmation.

This sample uses fictional information and contains no customer data. Chargeback Studio organizes merchant-provided materials; it does not submit disputes, determine outcomes, provide legal advice, or guarantee recovery.
